Subject: Amendment to Quality Control Policy — Revised Protocol for Sample Collection and Dispatch to RMSCL Head Office

Ref: Letter dated February 21, 2026 no. 2770

In continuation of the directions issued vide letter dated February 21, 2026, and pursuant to the amendment approved on March 27, 2026, the previous directions stand withdrawn. New provisions of the Quality control policy are as :

Section 4.1 — Revised Quality Control Sampling Protocol

Samples shall be collected from the District Drug Warehouses (DDWs) where the concerned batch has been supplied. Upon receipt of such samples at the Head Office, it shall be ensured that the quantity of each batch meets the minimum requirement prescribed for conducting the tests. From the samples so received, the selection of samples to be forwarded for Quality Control testing shall be made exclusively on the basis of the Computerized Random Selection System, to ensure objectivity, transparency and equitable representation.

In pursuance of the aforementioned amendment, the following revised directions are hereby issued:

In respect of sending samples for Quality Control testing, the procedure prevailing prior to the letter dated February 21, 2026 shall be followed henceforth. All District Drug Warehouses and Medical College Drug Warehouses that have received drugs, sutures , surgical items, and other items requiring Quality Control testing are required to send samples of all batches to RMSCL Head Office in the prescribed quantity as per Quality Control testing requirements.

All are directed to ensure compliance strictly.
